

FTE12MN - 12-month full-time equivalent enrollment

12-month full-time equivalent enrollment: Academic year 2023-24. The full-time-equivalent (FTE) enrollment used in this report is the sum of the institutions' FTE undergraduate enrollment and FTE graduate enrollment (as calculated from or reported on the 12-month Enrollment component) plus the reported FTE of doctoral professional practice students. Undergraduate and graduate FTE are estimated using 12-month instructional activity (credit and/or clock hours). Students. The calculation of FTE undergraduate and graduates is as follows: Quarter calendar system Enrollment level (One FTE over 12-month period) Undergraduate 45 credit hours, 900 clock hours Graduate 36 credit hours Semester/trimester/4-1-4 plan/other calendar system Enrollment level (one FTE over 12-month period) Undergraduate 30 credit hours 900 clock hours Graduate 24 credit hours For institutions with continuous enrollment programs, FTE is determined by dividing the number of clock hours attempted by 900.

E12UG1ST - First-time degree/certificate-seeking undergraduate 12-month unduplicated headcount

First-time degree/certificate-seeking undergraduate 12-month unduplicated headcount0 Indicates how many individuals -first-time undergraduates (EFFYALEV=4,EFYTOTLT) the institution served over a 12-month period (the unduplicated headcount) Unduplicated count - The sum of students enrolled for credit with each student counted only once during the reporting period, regardless of when the student enrolled. First-time student (undergraduate) A student who has no prior postsecondary experience (except as noted below) attending any institution for the first time at the undergraduate level. This includes students enrolled in academic or occupational programs. It also includes students enrolled in the fall term who attended college for the first time in the prior summer term, and students who entered with advanced standing (college credits earned before graduation from high school). Degree/certificate-seeking students Students enrolled in courses for credit and recognized by the institution as seeking a degree, certificate, or other formal award. High school students also enrolled in postsecondary courses for credit are not considered degree/certificate-seeking Undergraduate - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. CREDIT - Recognition of attendance or performance in an instructional activity (course or program) that can be applied by a recipient toward the requirements for a degree, diploma, certificate, or other formal award. NOTE: Enrollment reported is for the 12-month period (July 1 - June 30)

E12UGTRN - Transfer-in degree/certificate-seeking undergraduate 12-month unduplicated headcount

Transfer-in degree/certificate-seeking undergraduate 12-month unduplicated headcount Indicates how many individuals - transfer-in undergraduates (EFFYALEV=19,EFYTOTLT) the institution served over a 12-month period (the unduplicated headcount) Unduplicated count - The sum of students enrolled for credit with each student counted only once during the reporting period, regardless of when the student enrolled. Transfer-in student - A student entering the reporting institution for the first time but known to have previously attended a postsecondary institution at the same level (e.g., undergraduate, graduate). The student may transfer with or without credit. Degree/certificate-seeking students Students enrolled in courses for credit and recognized by the institution as seeking a degree, certificate, or other formal award. High school students also enrolled in postsecondary courses for credit are not considered degree/certificate-seeking Undergraduate - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. CREDIT - Recognition of attendance or performance in an instructional activity (course or program) that can be applied by a recipient toward the requirements for a degree, diploma, certificate, or other formal award. E12UGCNPT - Part-time continuing degree/certificate-seeking undergraduate 12-month unduplicated headcount

Part-time continuing degree/certificate-seeking undergraduate 12-month unduplicated headcount Indicates how many individuals -Part=time continuing undergraduates (EFFYALEV=60,EFYTOTLT) the institution served over a 12-month period (the unduplicated headcount) Unduplicated count - The sum of students enrolled for credit with each student counted only once during the reporting period, regardless of when the student enrolled. Continuing - Students beyond their first-year and are also not transfer-ins Degree/certificate-seeking students Students enrolled in courses for credit and recognized by the institution as seeking a degree, certificate, or other formal award. High school students also enrolled in postsecondary courses for credit are not considered degree/certificate-seeking Full-time undergraduate - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate and enrolled for 12 or more semester credits , or 12 or more quarter credits, or 24 or more clock hours a week each term. CREDIT - Recognition of attendance or performance in an instructional activity (course or program) that can be applied by a recipient toward the requirements for a degree, diploma, certificate, or other formal award. NOTE: Enrollment reported is for the 12-month period (July 1 - June 30)

E12UGNDPT - Part-time nondegree/certificate-seeking undergraduate 12-month unduplicated headcount

Part-time nondegree/certificate-seeking undergraduate 12-month unduplicated headcount Indicates how many individuals -part-time nondegree/certificate-seeking undergraduates (EFFYALEV=51,EFYTOTLT) the institution served over a 12-month period (the unduplicated headcount) Unduplicated count - The sum of students enrolled for credit with each student counted only once during the reporting period, regardless of when the student enrolled. Examples of non-degree/certificate-seeking students would be high school students enrolled in creditable courses prior to high school graduation, or those enrolled in creditable courses who for some reason are not seeking a degree/certificate. Part-time undergraduate - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate and enrolled for less than 12 semester credits or quarter credits, or 24 clock hours a week each term. CREDIT - Recognition of attendance or performance in an instructional activity (course or program) that can be applied by a recipient toward the requirements for a degree, diploma, certificate, or other formal award. PCTE12AN - Percent of 12-month unduplicated headcount that are American Indian or Alaska Native

Percent of 12-month unduplicated headcount that are American Indian or Alaska Native.. This variable is derived from the 12-month (July 1-June 30) enrollment component that is collected in the fall surveys. American Indian or Alaska Native - A person having origins in any of the original peoples of North America and who maintains cultural identification through tribal affiliation or community recognition. This variable is derived by dividing total American Indian unduplicated headcount (EFFYALEV=1,EFTAIANT) by the grand total unduplicated headcount (EFFYALEV=1,EFTOTLT). Ratios are converted to percentages by multiplying by 100 and then are rounded to whole numbers.

PCTE12NR - Percent of 12-month unduplicated headcount that are U.S. Nonresident

Percent of 12-month unduplicated headcount that are U.S. Nonresident. This variable is derived from the 12-month (July 1 - June 30) enrollment component that is collected in the fall surveys. U.S. Nonresident - A person who is not a citizen or national of the United States and who is in this country on a visa or temporary basis and does not have the right to remain indefinitely. NOTE - U.S. Nonresidents are included here, rather than in any of the five racial/ethnic categories described below. Resident and other eligible (for financial aid purposes) non-citizens who are not citizens or nationals of the United States and who have been admitted as legal immigrants for the purpose of obtaining permanent resident status (and who hold either a registration card (Form I-551 or I-151), a Temporary Resident Card (Form I-688), or an Arrival-Departure Record (Form I-94) with a notation that conveys legal immigrant status such as Section 207 Refugee, Section 208 Asylee, Conditional Entrant Parolee or Cuban-Haitian) are to be reported in the appropriate racial/ethnic categories along with United States citizens. This variable is derived by dividing total U.S. Nonresident headcount (EFFYALEV=1,EFYNRLT) by the grand total unduplicated headcount (EFFYALEV=1,EFYTOTLT). Ratios are converted to percentages by multiplying by 100 and then are rounded to whole numbers.

PCTE12UGW - Percent of undergraduate 12-month unduplicated headcount that are women

Percent of 12-month undergraduate unduplicated headcount that are Women. This variable is derived from the 12-month (July 1 - June 30) enrollment component that is collected in the fall surveys. This variable is derived by dividing undergraduate Women unduplicated headcount (EFFYALEV=2,EFYTOTLW by the total undergraduate unduplicated headcount (EFFYALEV=2,EFYTOTLT). Ratios are converted to percentages by multiplying by 100 and then are rounded to whole numbers.

PCTE12GRADAN - Percent of graduate 12-month unduplicated headcount that are American Indian or Alaska Native

Percent of 12-month graduate unduplicated headcount that are American Indian or Alaska Native.. This variable is derived from the 12-month (July 1-June 30) enrollment component that is collected in the fall surveys. American Indian or Alaska Native - A person having origins in any of the original peoples of North America and who maintains cultural identification through tribal affiliation or community recognition. This variable is derived by dividing graduate American Indian unduplicated headcount (EFFYALEV=12,EFYAIANT) by the total graduate unduplicated headcount (effyalev=12,EFYTOTLT). Ratios are converted to percentages by multiplying by 100 and then are rounded to whole numbers

PCTE12GRADAS - Percent of graduate 12-month unduplicated headcount that are Asian

Percent of 12-month graduate unduplicated headcount that are Asian. This variable is derived from the 12-month (July 1 - June 30) enrollment component that is collected in the fall surveys. Asian (new definition) - A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam. This variable is derived by dividing graduate Asian unduplicated headcount (EFFYALEV=12,EFYASIAT) by the total graduate unduplicated headcount (effyalev=12,EFYTOTLT). Ratios are converted to percentages by multiplying by 100 and then are rounded to whole numbers.

PCTE12GRADBK - Percent of graduate 12-month unduplicated headcount that are Black or African American

Percent of 12-month graduate unduplicated headcount that are Black or African American. This variable is derived from the 12-month (July 1 - June 30) enrollment component that is collected in the fall surveys. Black non-Hispanic - A person having origins in any of the black racial groups of Africa (except those of Hispanic origin). This variable is derived by dividing graduate Black or African American unduplicated headcount (EFFYALEV=12,EFYBKAAT) by the total graduate unduplicated headcount (effyalev=12,EFYTOTLT). Ratios are converted to percentages by multiplying by 100 and then are rounded to whole numbers.

PCTE12GRADUN - Percent of graduate 12-month unduplicated headcount that are race/ethnicity unknown

Percent of 12-month graduate unduplicated headcount that are race/ethnicity unknown. This variable is derived from the 12-month (July 1 - June 30) enrollment component that is collected in the fall surveys. RACE/ETHNICITY UNKNOWN - This category is used ONLY if the student did not select a racial/ethnic designation, AND the postsecondary institution finds it impossible to place the student in one of the aforementioned racial/ethnic categories during established enrollment procedures or in any post-enrollment identification or verification process. This variable is derived by dividing graduate race/ethnicity unknown unduplicated headcount (EFFYALEV=12,EFYUNKNT) by the total graduate unduplicated headcount (EFFYALEV=12,EFYTOTLT). Ratios are converted to percentages by multiplying by 100 and then are rounded to whole numbers.

PCTE12GRADNR - Percent of graduate 12-month unduplicated headcount that are U.S. Nonresident

Percent of 12-month graduate unduplicated headcount that are U.S. Nonresident. This variable is derived from the 12-month (July 1 - June 30) enrollment component that is collected in the fall surveys. U.S. Nonresident - A person who is not a citizen or national of the United States and who is in this country on a visa or temporary basis and does not have the right to remain indefinitely. NOTE - U.S. Nonresidents are included here, rather than in any of the five racial/ethnic categories described below. Resident and other eligible (for financial aid purposes) non-citizens who are not citizens or nationals of the United States and who have been admitted as legal immigrants for the purpose of obtaining permanent resident status (and who hold either a registration card (Form I-551 or I-151), a Temporary Resident Card (Form I-688), or an Arrival-Departure Record (Form I-94) with a notation that conveys legal immigrant status such as Section 207 Refugee, Section 208 Asylee, Conditional Entrant Parolee or Cuban-Haitian) are to be reported in the appropriate racial/ethnic categories along with United States citizens. This variable is derived by dividing graduate U.S. Nonresident headcount (EFFYALEV=12,EFYNRALT) by the total graduate unduplicated headcount (EFFYALEV=12,EFYTOTLT). Ratios are converted to percentages by multiplying by 100 and then are rounded to whole numbers.

PCTE12DEEXC - Percent of 12-month unduplicated headcount enrolled exclusively in distance education courses

Percent of the 12-month unduplicated headcount who are enrolled only in courses that are considered distance education courses. Derived: Students enrolled exclusively in distance education (EFYDEEXC, EFFYDLEV=1) divided by all students enrolled (EFYDETOT, EFFYDLEV=1) NOTE: Includes only students enrolled for credit during the 12-month period (July 1 - June 30) Distance education course - A course in which the instructional content is delivered exclusively via distance education. Requirements for coming to campus for orientation, testing, or academic support services do not exclude a course from being classified as distance education. Distance education - Education that uses one or more technologies to deliver instruction to students who are separated from the instructor and to support regular and substantive interaction between the students and the instructor synchronously or asynchronously. Technologies used for instruction may include the following: Internet; one-way and two-way transmissions through open broadcasts, closed circuit, cable, microwave, broadband lines, fiber optics, satellite or wireless communication devices; audio conferencing; and video cassette, DVDs, and CD-ROMs, if the cassette, DVDs, and CD-ROMs are used in a course in conjunction with the technologies listed above.
