PASSOC - Associate's degree - programs offered

Derived from the total Associate's degrees awarded, which are reported on the completions component for the 12-month period July 1 - June 30. If the total reported were greater than or equal to zero for each 6-digit CIPCODE, this variable was set to 1 - program offered, else variable was set to zero – not offered. The 2-digit CIPCODE level contains the total number of 6-digit programs offered for the 2-digit category and the grand total CIPCODE (99) will contain the number of programs offered for the institution. (Note: Institutions are asked to enter a zero to indicate a program that is offered, but no awards were granted in the 12-month period). Values and labels 1 - program offered, applicable for 6-digit cipcodes 0 - Program not offered, applicable for 6-digit cipcodes 1-High - Total programs offered, applicable for 2-digit and 99 grand total summary records 0 - No programs offered, applicable for 2-digit and 99 grand total summary records

**PCERT2DES - Certificates of 1 year, but less than 2 years - some programs in a CIP code can be completed entirely via distance education**

Derived from the total one-year, but less than two-year certificates awarded, which are reported on the completions component for the 12-month period July 1 - June 30. If the total reported were greater than or equal to zero for each 6-digit CIPCODE and institution indicated that some programs within the 6-digit CIP code can be completed entirely via distance education, then this variable was set to 1 - program offered, else was set to zero - not offered. The total number of 6-digit programs offered and the total number offered by the various distance education categories are aggregated for the 2-digit category and for the institution CIPCODE (99) (Note: Institutions are asked to enter a zero to indicate a program that is offered, but no awards were granted in the 12-month period). Values and labels 1 - program offered, applicable for 6-digit cipcodes 0 - Program not offered, applicable for 6-digit cipcodes 1-High - Total programs offered, applicable for 2-digit and 99 grand total summary records 0 - No programs offered, applicable for 2-digit and 99 grand total summary records It is possible that one or more programs may be reported under the same CIP code: For each 6-digit CIP code and program level/length combination, institutions could select one of the following three options: 1. All programs in the CIP can be completed entirely online. 2. At least one program in the CIP can be completed entirely online (if institutions select this option they were asked to select one of the options below: --- 2a. At least one program in the CIP has a mandatory onsite component --- 2b. At least one program in the CIP has a non-mandatory onsite component 3. None of the programs in this CIP can be completed entirely online. Distance education program - A program for which all the required coursework for program completion is able to be completed via distance education courses
