Total salary outlays of full-time, non-medical, instructional staff - total equated to month contract. This is calculated by adjusting the salary outlays at 10-, 11-, 12-month contracts to a 9-month contract as follows: (salary outlays at 9-months SA09MOT) + (.90 \* salary outlays at 10 months SA10MOT) + (.818 \*salary outlays at 11 months SA11MOT) + (.75 \* salary outlays at 12 months SA12MOT) Instructional Staff- An occupational category that consists of the following two functions: 1) "Instruction" only and 2) "Instruction combined with research and/or public service Annual salary outlays (combined salaries of all staff) include base salaries only – no supplements, overloads or bonuses. Additional stipends for administrative, managerial or other responsibilities are NOT included in the salary outlays data for instructional staff. Contract length - The contracted teaching period. The number of months should correspond with the number of months worked (which may differ from the number of months over which staff are paid). Excludes medical staff - Staff employed by or staff working in the medical school (Doctor of Medicine [M.D.] and/or Doctor of Osteopathic Medicine [D.O.]) component of a postsecondary institution or in a free standing medical school. Does not include staff employed by or employees working strictly in a hospital associated with a medical school or those who work in health or allied health schools or departments such as dentistry, veterinary medicine, nursing or dental hygiene unless the health or allied health schools or departments are affiliated with (housed in or under the authority of) the medical school
